Paddle from Lewiston Landing to Fort Niagara State Park

Picnic to follow at Fort Niagara  
(Rain or shine!)

Paddlers should meet at 11:30 am at Lewiston Landing in the Village of Lewiston (below the Silo Restaurant) to launch boats. The paddle is 7 miles, downstream, on the Niagara River to Fort Niagara State Park (takes approximately 1 to 1.5 hours, depending on weather and pace). The take out point is at the Fort Niagara Boat Launch, just before the U.S. Coast Guard Station. We'll picnic in the park afterwards. Please bring a dish to share, along with your own stuff to grill and drink. Dessert will be provided! If you have a portable grill that you could bring along, that would be great!!

This FREE event is being organized by two avid WNY paddlers!
