

CURRICULUM VITAE SUMMARY

John Corcoran

<http://www.acsu.buffalo.edu/~corcoran/>

corcoran@buffalo.edu

Department of Philosophy
University of Buffalo
Buffalo, New York 14260
716 645 2444

30 Burbank Terrace
Buffalo, New York 14214
716 881 1640

Education

University of California at Berkeley		1964-65 Mathematics
Yeshiva University		1963-64 Mathematics
Johns Hopkins University	PhD	1962-63 Philosophy
	Thesis: Generative Structure of Two-valued Logics. Robert McNaughton, Supervisor	
Johns Hopkins University	MA	1959-62 Philosophy
Johns Hopkins University	BES	1956-59 Mechanical Engineering
Baltimore Polytechnic Institute	A Course	1952-56 Engineering High School

Fellowships

National Science Foundation Dissertation Fellow 1962-3; Gilman Fellow 1961-2; National Defense Fellow 1959-62.

Academic Positions

University of Buffalo, SUNY, Professor of Philosophy	1973-Present
University of Buffalo, SUNY, Associate Professor of Philosophy	1970-73
University of Michigan, Visiting Associate Professor of Philosophy	1969-70
University of Pennsylvania, Assistant Professor of Linguistics	1965-69
University of California at Berkeley, Visiting Lecturer in Philosophy	1964-65
Johns Hopkins University, Junior Instructor in Philosophy	1961-62
University of Santiago de Compostela, Visiting Professor of Logic	1994
Linguistic Institute, Visiting Scholar	1976
Linguistic Institute, NSF Seminar Project Director	1971

Areas of Specialization

Philosophy of Logic, History of Logic, Mathematical Logic, Linguistics, Philosophy of Mathematics

Philosophic Interests

Metaphysics, Epistemology, History of Philosophy, Philosophy of Language

Recent Honors

Corcoran Symposium, University of Santiago de Compostela, Spain	2003
Doctor Honoris Causa, University of Santiago de Compostela, Spain	2003
Exceptional Scholar Award, University of Buffalo	2002
Festschrift special double issue of <i>History and Philosophy of Logic</i>	1999

Recent Publications

“The Principle of Wholistic Reference”, *Manuscripto* 27 (2004) 155-66; “Sentential Functions: the Functions of Sentences”, *Discursos da Investidura*. Santiago de Compostela (2004) 14-20; “Schema”, *Stanford Encyclopedia of Philosophy*, May 2004; “Introduction” to the 2003 Prometheus Press edition of Boole’s *Laws of Thought*; “Aristotle’s Prior Analytics and Boole’s Laws of Thought” *History and Philosophy of Logic* 24 (2003) 261-288

For a complete list of publications: <http://www.acsu.buffalo.edu/~corcoran/>

Selected Invitations

2005 University of South Florida; Conference on Universal Logic, Montreux, Switzerland
2003 Society for Ancient Greek Philosophy, New York City; Tarski Symposium, Universidade Nova de Lisboa, Portugal; Corcoran Symposium, University of Santiago de Compostela, Spain; University of South Florida.
2001 San Francisco State University; McMaster University
2000 Bryn Mawr College; Berkeley Logic Colloquium
1998 American Mathematical Society, History of Logic Symposium; Stanford University Logic Group
1997 Fragments of Science Symposium, University of Buffalo
1996 International Truth Colloquium, 500th Anniversary of University of Santiago de Compostela, Spain
1994 Semantics of Science Symposium, Santiago de Compostela, Spain
1992 Berkeley Logic Colloquium; San Francisco State University; University of California at Davis
1991 Swiss Logic Society, Gödel Symposium; History of Logic Conference, University of Texas at Austin; Society for Ancient Greek Philosophy, Chicago; University of Toronto
1991 Aristotle Conference, Kansas State University
1989 Latin American Symposium on Mathematical Logic, Brazil
1988 Council for Philosophic Studies Visiting Professor, Kansas State University
1986 Inference Conference, Ohio University

Conferences Organized

2001 Co-chair, Buffalo Symposium on Logic in Mathematics: Shapiro, Scanlan, McLarty, Tieszen, Kearns, et al.
1989 Organizer, Buffalo Symposium in Honor of Alonzo Church: Church, Davis, Henkin, Rogers, et al.
1973 Chair, Conference on the Nature of Logic: Tarski, Putnam, Lawvere, Friedman, Jech, McLarty, et al.
1972 Chair, Symposium on Ancient Logic: Kretzmann, Mueller, Gould, Mulhern, et al.

Degree Supervision

Supervised seven doctoral dissertations, University of Buffalo, 1975-2003
External examiner, two doctoral dissertations, University of Western Ontario, 1995-99
Co-directed doctoral dissertation, University of Neuchâtel, 1985-89
Co-directed doctoral dissertation, University of Toronto 1980-83
Supervised three doctoral dissertations and four master's theses, University of Pennsylvania, 1965-1970

Selected Committees and Special Activities

American Philosophical Association, Logic Program Advisory Committee 2001-2004
Chancellor's Advisory Committee, SUNY, Chair, 1994
Faculty of Social Sciences Policy Committee, University of Buffalo, 1985-87, Chair 1987
Editorial Board, *History of Logic*, 1982-present
Founding Member, Editorial Board, *History and Philosophy of Logic*, 1979-present
Faculty Committee on Appointments, Promotions and Tenure, University of Buffalo, 1975-78
Nominating Committee, Association for Symbolic Logic, 1974-75
Faculty Board, College of Mathematical Sciences, University of Buffalo, 1973-80
Director of Graduate Studies in Philosophy, University of Buffalo, 1971-75
NSF Research Seminar, Linguistic Institute, Project Director, 1971
Buffalo Logic Colloquium, founder, 1970, Chair, 1970-77, 1980-83, 1986-2002, 2004-5
Mathematical Reviews, Regular Reviewer, author of 86 reviews 1969-1994
Philadelphia Logic Colloquium, co-founder 1965, Chair 1965-69
Graduate Group in Linguistics, University of Pennsylvania, 1965-69
Graduate Group in Computer Science, University of Pennsylvania, 1965-69
Graduate Group in Logic and Methodology, Berkeley, 1964-65

Other Experience

IBM Research Center, Research Staff Member, research in linguistics and logic, 1963-64
GE Research Center, Mathematician, research in theory of automata, 1962
Unisys Research Center, Engineer, research in computer science, 1961

February 1, 2005.
