Maria’s Daily Schedule

Maria has a smooth daily schedule. She usually wakes up at 7 o’clock. Then she gets ready for school. After half an hour, she goes on the school bus. At about 4:00 she comes home. Immediately, she watches the Ellen show until 5:00. From then until 6 o’clock she does her homework. After that, she plays for a while. Meanwhile, I am cooking the dinner. Before dinnertime, she takes a shower. Then she eats dinner from 7:00 to 7:30. During the dinnertime, I ask her about her day. Before she goes to bed, we read a book.
