Summer is upon us and we are recovering from the sudden loss of, Stephen Maller, a very active member of our society but I know he would want us to carry on the work he planned and loved.

We did hold the annual meeting even though it was too soon after Steve left us for a better place. We thank Dan Newfang and Janet Cragg for their service to our organization. Dan resigned and Janet chose not to run for re-election. Dan's term wasn't up until 2006 so Robert Oxx was elected to take his place.

We re-elected 4 directors for 3 year terms: Forbes Tenbrook, Jennifer Van Patton, Sharyl Brown and Bruce Brown. One new director, Jennifer Schultz, was elected for a 3 years.

Officers elected for one year were: Helen Sick, President; Elizabeth Engel, Secretary, and Sharyl Brown, Treasurer. We chose to leave the Vice-President office open until next meeting as Steve was to be our vice-president.

We did much soul searching to select someone, that was dedicated and experienced. We asked John Landino, a long time member and previous president if he would help us out. He accepted and was appointed, at our June board of directors meeting, as a director and Vice-President. Welcome to each of you.

We have appointed chairpersons for most of the committees but are still looking for additional people. If you have a special talent or interest please let us know. I am sure we can find a special spot on a committee.

Be sure to read about the building addition we are planning to be dedicated to Steve.

We plan to have the budget and year end financial statement in the next issue.

Thank you to Sally Higgenbotham and Judy Stiegler for so beautifully arranging the hat collection.

I apologize for the lateness of this newsletter but I had some time consuming computer problems. I also apologize if I missed anyone's name anywhere in this newsletter as I had to recover many of the pages from my memory as the computer ate my work.

If I missed something you feel should have been included write to me and I will include in the next newsletter.

Thank you for your patience.

In Memoriam

Memorial Contributions
By Connie Quanz

We thank the people who gave to the memorial fund.
The total for our Fiscal year –
May 1, 2004 through April 30,
2005 was $571.00.
Total from January to April
2004 was $222.50 remembering:
Harold Reynolds, Jr., Mickey Shetler, Cora Pelkey, Helen Coverdale and The Moose, Secor, Prinzi Family.
So far for May we have received $745.00 in honor of Steve Matter.
Please keep us in mind as each donation, in memory of a friend or relative, helps to preserve the history of Wayland and make it available to present day researchers and future generations.

## Our Museum Mission

**AND YOUR MISSION SHOULD YOU ACCEPT THIS INVITATION TO JOIN US**

- To find, preserve and display the history of this community;
- To include highlights of the people and events that created and sustained this community;
- To communicate our progress to you via the newsletter;
- To present special programs and displays for your pleasure;
- To provide the opportunity for local historical education.

**Thank you to all who have parted with your historical possessions.**

We will treasure, care for and display them as part of future museum exhibits.
Thank you to all 351, of you who have paid your current year's dues. Our new fiscal year began on May 1, 2004 through April 30, 2005. Those of you who may have overlooked sending in your renewal this will be your last issue unless we hear from you. We have enclosed a renewal envelope in this issue for your convenience.

Visitors

Betty and I just happened to be at the museum to meet some people from Gunlocke about 4 PM on a recent Monday afternoon.

Some visitors by the name of WAYLAND stopped by to check out our town and museum. Now what kind of a coincidence is that? They were from Texas visiting his mother and sister from near Buffalo, NY. Marie (Wayland) Hebedein, Grand Island, NY; John Wayland, Madisonville, TX, and Geraldine Wayland, Mission TX.

Once again, the Penny Social under the capable leadership of Karen Cramer, Betty Engel and Mary Lou Kiesl was a success, bringing in approximately $1200.00 to our treasury.

The volunteer workers making it possible were: announcer – Dick Conrad; school representative – Harold Kiesl; ticket sellers – Dee and Don Pebbles; 50-50 tickets – Bob Hughes, special table – Betty Engel, Betty Barber and Don Rauber; refreshments – Thelma Teed, Rosemary Michel and Norma Smith; tables – Wilma Buckley, Nancy Reigelsperger, Mary Lou Kiesl and Karen Cramer; and unloading crew – Jim and Tom Oas.

A special thanks to all the people who made donations and all of the customers.

Wayland Suburbs

Jane Schryver presented an interesting program on May 16, 2004 at the Museum with the expert help of Paul Hoffman.

They had many pictures featuring the past and present of Perkinsville, Patchinville and Loon Lake.

The program was dedicated to Stephen Maller. The first picture was of Steve on his tractor and the final picture was of just the tractor.

We thank both Jane and Paul for all the long hours putting this program together and sharing it with us.

We will look forward to another of their programs in the future.

Webster Writings

I was watching some folks do the cleaning around this large Museum House. What an awesome job!!! So much to be careful with (I have to even watch where my tail swings) The cleaning job makes me keep alert as I have to find new places to stash my "junk food". Louise and Madelyn are doing a great job.

I think they could have more helpers to help with the dusting and whatever one does to keep things perky. Maybe you will come and help. Just drop in with a cloth in-hand -- you'll really get to know all about this Museum House.

Must run -- I hear someone coming. Looks like the windows are going to get a cleaning. Will be good to see the sun again.

As ever
W. Mouse

P.S. Hope to see you here as a new volunteer!

4th Annual Beef on Wick Dinner
July 18th
12 - 4 PM
At the Museum

Wayland Potato Festival
August 28 – 29, 2004

Your attendance at our major fund raiser will provide you an opportunity to celebrate with our community by listening to great music, enjoying a delicious meal and viewing our wonderful museum.

Harry and Ken Reynolds provide the music. The beef on wick dinner also includes homemade cakes, coffee and lemonade, all for the low price of $7.00 for adults and $4.00 for children.

Chair person, Thelma Teed, could use help with setting up, serving, and cleaning up. Jennette Van Patton and Forbes Tenbrook are calling members to provide the cakes. To volunteer, you can reach Thelma at 718-2120, Jennette at 728-2498 and Forbes Tenbrook.

Tickets may be purchased at Shep's hardware, from members of the WHS board and at the door.

Don’t miss this delightful afternoon.

***

We hope you will find time to attend the festival this year.

The Wayland Historical Society will have a booth offering some items for sale and interesting conservation about Wayland's history.

The Museum will also be open so you can view the many displays, perhaps leaf through an old yearbook or check out our display of genealogy.

We will still have the display of hats, service uniforms and political campaign buttons.

Perhaps you may have some history you would like to share with us. This would be a great opportunity for you to learn what we do in that building on the corner of South Main and Washington Streets.

Surprise us! Stop in!

Visitors cont. from page 6

A phone call from Sally LaBell arranged for several member of the Zigenfus family to come as group on July 5th: Kathryn Amato, Davenport, IA; Roxanne Dearman, Mt. Holly, NC; Allen Hyde, New Hartford, NY; Rick Zigenfus, New Hartford, NY.

Other out of state visitors were David Fich, Masticane, IA; Joe Hoffman, Amherst, NY; S.V. & Winnie Drum, Hillsborough, CA; Sally Smith, Houston, TX; Kathy Martina, Syracuse, NY;
The Wayland Historical Society suffered a severe loss on the passing of Stephen Malter on May 6. I think most of you knew Steve but those of you who didn't, he came from Perkinsville and had retired from General Foods several years ago. Upon retirement he dedicated his life to helping others. He took a great interest in starting the Historical Society and used to say “if we don't do it now it will never be done”. He did a good share of the work in making plans, getting approximately $75,000.00 in grant money from Senator Randy Kuhl and Rep. Jim Bacallas. Steve not only did all the paper work, he also did more than anyone else in the actual renovation of the building we had purchased. I worked with Steve for several years on this project and have never seen a more dedicated and hardworking person. He had a very level head in planning, making our museum one of the nicest in this area. Many others worked very hard on this project but it would be impossible to name them all without forgetting someone. His records were always meticulously kept in the Historical Society, in the Perkinsville Rod and Gun Club, of which he was president and the Sacred Heart Cemetery which he managed. He also mowed the grass in all the organizations in Perkinsville that he belonged to. I think he was probably the only soldier from WWII that could still wear his uniform. He also took full care of his wife, Bettie, who has had severe medical problems for some time. So you can see Steve was a very busy person and will be sorely missed by a lot of people. Steve's honesty was what always impressed me. He was a joy to work with and always had a lot of stories about some of the "Characters in Perk" which made the time fly.

It is with a heavy heart that I write about the untimely death of our neighbor and friend. It was a great shock to the entire community.

Steve was a loving husband, father, grandfather, and a man with humor. He has been the number-one volunteer in this area dedicating his time to the church, his family, his community and his neighbors. I compare him to the "Energizer Bunny" full of vigor and enthusiasm for whatever job needed doing. Countless people in this community and beyond can acknowledge the help and care Steve offered time after time. He took such pride in this community and took action to keep it looking the best. I can't begin to list the number of organizations Steve has been active in over the years, but I do want to say that he was one of the foundation builders for the Wayland Historical Society, the mover and shaker to get the necessary work accomplished. Steve was a walking history book when it came to facts and tales of events that happened in Perkinsville years ago and many of the amusing stories are gone with him. Steve's death leaves an immeasurable void in this community and he will be sadly missed for a long, long time. Our sympathy goes out to his family.

A friend & neighbor
Betty Engel

Dear Forbes,

I was deeply saddened upon the receipt of your letter. Thank you very much for letting me know of Steve's passing.

Steve was one of the most generous and caring individuals I have ever had the pleasure of knowing. He was a tireless servant of his community as your testament and that of his obituary clearly shows. However, you're right; a brief summary cannot do justice to the life of a man who brought so much to his community and to all he came in contact with. I was lucky enough to experience this first hand while working with him to obtain grants for the museum.

Steve will be missed by many. It is up to those who knew him to continue doing the work he left behind and by doing so we honor his life and memory in the most fitting manner. I know that you will do just that.

Again, I'm sorry for the loss of a good friend.

Sincerely,

John R. Kuhl, Jr.
NY State Senator

---

It is very difficult to write about a truly dear friend.

Steve and I first worked together when I was a Town Councilman and he was the Town Assessor. We met many times in his basement discussing going to 100% assessed evaluation. Even though we were of different political parties, we could always come to a friendly agreement.

I really got to know Steve the best when we started to work on the Wayland Historical building. Between Steve and Forbes, there wasn’t a job they couldn’t do. Because of Steve’s volunteerism, the Society has been saved many thousands of dollars over the years.

The last time I conversed with Steve was the last week before he died. Steve was mowing the lawn and I was changing light bulbs. When we were both finished we sat
on one of the planters and reminisced about all that had been accomplished for the Society over the years. He was very proud of it all.

It is hard to lose such a dear friend, but we must carry on.

We are proposing to put a 32' x 45' addition on the building in memory of Steve for all that he did for the Historical Society. This new addition will house farm and fire equipment. I always considered Steve to be a good ole farm boy and he also was very much a part of the Fire Department. The Gunlocke Company has given us $10,000.00 to start this project. This new addition will make room for the Gunlocke Exhibit in another room of the building. A picture of this new addition is in this newsletter.

I am asking anyone who is reading this, who would like to make a donation in memory of Steve, to please do so. I am sure Steve would be very proud of this addition in recognition for all he has done for so many organizations over the years.

Steve, I know you are watching over us. Thank you for all you have done for us over the years.

You'll never be forgotten,
Marty Kimmel

Just Good Deeds & Memories!
This is the drawing, prepared by Michael Kimmel, showing the location of the proposed building addition to house our farm and fire equipment display. The addition would be 32' x 45'.

Thanks to the Gunlocke Division of Hon Industries for their contribution of $10,000.00, we now have a start on the necessary funds to complete this project.

As Marty mentioned we plan to dedicate this room to Stephen Malter and designate the present third exhibit room as the Gunlocke room.

It is estimated that the cost of just the cement work, framing, roof and windows will be just under $28,000.00.

We could certainly use any help any of you can give us.

We plan to apply for a grant in December of this year for funds to complete insulation, finishing of the interior, etc.

We will all miss Steve’s help with a this project but Marty has agreed to be overseer.

We thought it would be a good time to list the bound genealogies we have for you viewing. We are always looking to add to our collection. If you have a copy of your family history and would share a copy with us it would make our collection more valuable to the researchers. Please keep us in mind if you are working on your family history. ***

Gunlocke

A video celebrating Gunlocke legacy and history of wood expertise and enduring craftsmanship as part of a Hon project. Betty and I met three gentlemen, Wayne Anderson, Joe K. Golding and Ron Rausch, who are from Iowa, at the museum so they could do an archival photo shoot of the Gunlocke collection. It was a very interesting experience watching them shoot well over 300 photos as part of this project. Shown above is Wayne, the photographer and Ron holding the item to be photographed. We are hoping to receive a copy of at least the Gunlocke portion of the video when it is completed in late October. ***

Dear Helen Sick,

Received the latest issue of the Wayland Historical Society and as usual read it from cover to cover and enjoyed it thoroughly.

But I do have a question that came to mind as I read Marion Scott’s article, “What’s In A Name”? She listed so many names of streets, names I am familiar with but forgot Loveland Place which as you know is just off Washington Street. Lovelands have lived in Wayland and the Loon lake area for well over 100 years and are still listed in the phone book. I’m sure this must have been a minor oversight since William H. Loveland of Wayland served his country in WWI and his grandfather had a livery business (Henry James Loveland) in 1901 as shown in the Jervis Book. William N. Loveland, his brother, died fighting in the Civil War and Henry James also was in the same fighting unit. Probably Loveland Place was named because Loren, son of Henry James, lived and farmed there. Marion, you are forgiven for not mentioning Loveland’s in your article, and I enjoyed learning much from your writing.

Most Sincerely
LeVerne Loveland.

LeVerne

I for one am very please you wrote as we had a great history lesson. Just think if the omission had not occurred we would have miss all this information.

Thank you.

Dear Evelyn,

Just a note to let you know Jim passed away on February 25, 2004. He got pneumonia with his emphysema and he couldn’t fight it.

I am living in an assisted living, having a living room & a bedroom. Go down to the dining room for meals.

Fondly,
Anne Secor

Dear Mrs. Sick,

I have enclosed the obituary of my uncle, James Secor, who died in Pleasanton, California on February 25th. He was 77. Uncle Jim was a member and supporter of the Wayland Historical Society. You do a great job of keeping such records and I would like this information added to your archive.

I have also included a check as a memorial gift in honor of all of my deceased relatives from Wayland. This would include my great grandmother, Harriet (Hattie) Moose; my grandparents, Maxwell and Marion Secor; my parents, Dominic and Jeanette Prinzi and my aunts and uncles, William (Buster) Secor, Donna (Secor) Morgan and Jim.

Sincerely
Philip D. Prinzi

Mr. Prinzi,
Thank you for the contribution to honor your relatives.

Dear Helen,

Here’s an idea for the newsletter that might interest you, as I’ve just baked an apple cake made from a recipe in the old Perkinsville Cook Book published in 1976 for Old Home Day – June 27.

Leona Mark’s recipe. Maybe you good cooks could select one recipe per newsletter. If you can find a cookbook.

I’m enjoying a beautiful spring here, with all the azaleas about to blossom. My son Jim & wife Sandy are coming for Easter weekend from Rochester.

Enjoy the newsletter so much.
Best regards to all you hard workers.

Rita Morsch

Thanks for a great idea. Would you be the first to submit a recipe for the next newsletter?

Dear Friends of the historical Society.

On Thursday the 15th I happened to be in Wayland and noticed a car in the parking lot and was fortunate to meet, I believe Connie Quanz. She gave me a lovely tour of the Museum. I didn’t realize you really weren’t open until I read the newsletter with the hours posted!

You are all to be commended for your dedication in preserving the history of Wayland. It is evident that many hours have been donated to the project.

My mother’s family was from Wayland – the Abraham’s. So when I moved to Massena it was suggested I look up Helen Coverdale. She and I were friends for many years. She loved to reminisce about her years teaching and living there and always enjoyed being invited to high school reunions. She could recall all her students by name and then tell something about them!

In fact, her last trip there was when she was 92. I took her to all the famil-
iar place she knew.
And she loved her Wayland potatoes. They really are the best!
The enclosed basket is one she bought or was given at a grocery store. I don't really know the history. Other than it was from Wayland. She had the plate on her shelf.
Helen give me a chair from Gunlocke's and I wondered if you could use it but it had recently been recovered and I saw that you already have several.
However, I do have a child's toy chest that was given to me 60 years ago by my Uncle Jim Abraham. It was made at Gunlocke's and when my mother had it refurbished 40 years ago Gunlocke's offered to buy it back! So if you are interested I would donate it someday - if you don't already have one.
I shall send a check under separate in memory of Helen.
Wishing you continued success, I remain
Sincerely,
Lois Nicandri, Daughter of the former Julie Abraham

Dear Evelyn,
After reading about the 2004 Steuben County Historical Society Fair on July 30-31, I decided to enlarge this photo of Sally Patchin sitting with my grandmother, Mae Morsch. My grandfather, John P. Morsch is standing behind her. Elizabeth Morsch, John's sister is on the left., Mr. & Mrs. Rodney Stanton are standing on the right. The occasion is Sally Capron's wedding. Her mother Katherine was a sister to John and Elizabeth. I'm not sure of the year though (1952?).
I hope you will display the photo somewhere in the museum if possible.
My grandparents and Sally and husband were neighbors and good friends in Patchinville.
I so enjoy the Heritage Magazine!
Thank you.
Sincerely
Suzanne Morsch Dechert

Can anyone name any of these ladies?
Hello Evelyn & Forbes.
  Sure hope both of you are well, and counting the days until it is spring in Wayland.
  Sorry for overwhelming you with these 2 boxes. This is the only way for me to get them to the WHS.
  There is another, much smaller box, that I will get to you in June. My niece took it to her house in Rush, by mistake.
  Anyway, after seeing all the lovely picture of the Christmas decorations and trees you had in the last newsletter, I decided to pass along to the WHS, my nativity scene with the stable that I had made in 1966, 1967 and 1969.
  Now that you have so many rooms to decorate at the holiday, I thought this nativity scene would fit in somewhere. I have thoroughly loved setting it up in our homes for years.
  Also included in the boxes are 3 old antique quilts from your area. I know once in awhile you use quilts in your displays.
  Love & hugs to you.
  Jim & Marge Robinson

It was very nice to meet many of you on 6/14/04 when I visited your wonderful museum. Special thanks to Helen Sick for the great tour.
  I look forward to another visit.

I had an interesting phone call the other day. It was Sally LaBell offering to loan me a picture of Emma Z. Van Scoter.
  Unfortunately Emma passed away recently.
  Emma contributed many hours to the Wayland Historical Society at its beginning. We are indebted to her for her support.
  She studied painting baskets from Sally Patchin.
  We though you might like to see some of the baskets that Emma painted.

Summer is here and Class and Family Reunion time is upon us. Please send us your pictures together with names and we will publish in one of our newsletter. These are very popular with our readers, so any help you can give us will be appreciated.
  If you are planning your reunion please consider a tour of the Museum.
  We have a considerable amount of Wayland memorabilia on display.
  We also have a complete collection of the Wayland and Wayland-Cohocton year books.
  If the museum is not open the hours that are convenient for you, please give us a call and we can make special arrangement.

HELP! HELP! HELP!

WE REALLY NEED YOU HELP TO MAKE THIS NEWSLETTER TRULY YOUR NEWSLETTER.

We are working on several article but they would be much more interesting if we had you picture and thought and copies of any article you might be saving on the subject. List below are some of subject we are working on:

1. History of Wayland Post Offices from Patchin Mills to present. This will also include Begole, Bowles' Corners, Shannon's in Springwater and Loon Lake. If we get enough interest and information we plan to make up a book to display with our old Wayland Post Office display and to publish as a serial in the newsletter.

2. We are working on "The History of Perkinsville" including little know facts and humorous stories. We have several pictures but as you know "a picture is worth a thousand words" so we can always use more.

3. We would like to get started on School History too.

4. We are always looking for other interesting Wayland History that you and all our readers would like to have in the newsletter.

It take a lot of research to write these articles so we need to get started as soon as possible.
