

MesoSpace Demographic Survey

Instructions to the researcher:

- For each participant, ask the following questions using the language and phrasing that is most appropriate for your participant. You do not have to ask these questions literally or word-for-word.
- The participant ID should be a number (to protect their identity). Be sure this is linked to their linguistic data!

Participant ID: _____

1. Age? _____

2. Sex? _____

3. What level of education have you completed? _____

Circle responses for the questions below:

4. Do you ever use [a second language¹] with any of the following kinds of people:

a. Some / All **neighbors**: always / often / occasionally / rarely / never / N/A²

b. Some / All **coworkers**: always / often / occasionally / rarely / never / N/A

c. Some / All **classmates**: always / often / occasionally / rarely / never / N/A

d. Some / All **people you buy or sell goods or services to/from**:

always / often / occasionally / rarely / never / N/A

e. Some / All **children in your household**:

always / often / occasionally / rarely / never / N/A

5. How regularly do you **read**? regularly / occasionally / rarely / I don't

6. How regularly do you **write**? regularly / occasionally / rarely / I don't

¹ In Mesoamerica, this is most likely Spanish. Ask about their use of the dominant language or language other than the one they used to complete the tasks. These questions are about Bilingualism.

² N/A = not applicable. For example, if the participant does not communicate with or does not have neighbors/coworkers/etc.
