The exciting life of Jenna Glintz
Sophomore

I am an intended Speech and Hearing Major

University at Buffalo
The State University of New York
I am striving to attend a prestigious Grad School to get my masters in Speech and Hearing and work in a school setting. I also wish to have my own private practice.
I LOVE THE NEW YORK KNICKS!
UB OFFERS EXCITING, INTERESTING COURSES FOR YOUR MAJOR

I would love if UB had more of a variety of students. Most of my friends are from the Tri State area.
CSE 101:
We have learned a variety of information about computers including:
• Excel
• Powerpoint
• Linux
• Computer Hardware
• Generations of Computing
