Josh
Freshman
My Major:

NUCLEAR MEDICINE TECHNOLOGY
My Ideal Job

- Cancer research with Nuclear Medicine
- Heart Imaging
My favorite team: Liverpool Football Club
Things that would be helpful at UB

- Explanations of Bus Routes
- Changing up the meals offered
- Alumni days with freshman
- Better advising/communication
You meet someone new every day
The amount of open space and freedom
Teachers that actually care
WHAT I’VE LEARNED IN CSE 101

- The advantages and disadvantages of operating systems
- How to be a better consumer with computers
- Tricks to ensure safety with my computer
- Never use the term cloud computing loosely
- How not to embarrass myself at a computer science cocktail party
