I am a junior in University at Buffalo

Major: Medical Technology

After I graduate, I will become a medical technologist
Favorite sports team

Manchester City
What I like about UB

- Many majors available
- Many combined degree programs available
- More than 200 student clubs
- UB campus a great place to live

What I would want to change about UB

- More silence study areas in campus
- Add a campus bus station at main street, south campus
- More gym centers
What I have learned in CSE 101

- Internal parts of a computer
- Using software (e.g., Microsoft office Word, Microsoft office Excel, Microsoft PowerPoint)
- Smart Operating Systems
- Introduction to internet
- Using Linux
- Virtualization with virtual box
