3. IDENTIFICATION TEST. Plate 3 consists of the Front and Right Side Views of four different objects. Below are four Top Views, each of which completes one of the pairs of views in Plate 3. In the circle next to each Top View below, you are to place the number of the drawing from Plate 3 which corresponds to that Top View.

4. IDENTIFICATION TEST. Plate 4 consists of the Front and Top Views of four different objects. Below are four Right Side views, each of which completes one of the pairs of views in Plate 4. In the circle next to each Right Side View below, you are to place the number of the drawing from Plate 4 which corresponds to the Right Side View.
