

THE PORKARD REPORT

DECEMBER 1989

CURSE REVERSED

After the human Christmas Ball, onlookers were shocked as they watched a speeding carriage of the Royal house run over a helpless pig, Noel Gooluck. When the carriage finally halted, the occupant, Princess Oki Sueme, was so overcome by grief that she tenderly gave Gooluck a kiss. At that very moment lightning struck and POOF!

Both pigs are doing well and a June wedding is planned.

The driver of the coach was not charged and still wanted the \$20 even though he never got her to the airport.

SO SQUASHED IS THE LEGEND OF PIG FOOT

Wart County Sheriff Department has solved the mystery of the giant pig prints found in the snow near Haryman's farm.

After weeks of investigation it was proven that the prints were not made by a giant prehistoric pig. It appears that what the witnesses saw was a very fat hairless horse. The owner said, "Everyone has been making that mistake ever since the UFO gave him to me."

3. What he thought he said, not what we think we heard.

The Day Before Christmas

'Twas the day before
Christmas, and all through the pen
Not a creature was stirring, not even a
hen.

I in my kerchief, and maw at the Mall,
I gave her enough for presents for all.

When out on the lawn there arose such
a noise,
I thought it was the neighborhood boys.

Away to the window I flew like a flash,
Tore open the shutters to find it

smashed.

And what to my wondering eyes should
appear,
But a car and my wife with a six pack of
beer.

A bundle of toys she had in her pack.
I saw the receipts and fell flat on my
back.

Her eyes-how they twinkled,
her dimples how merry,
I ran to the door to see what I could
carry.

A wink of her eye and a twist of her
head
Soon gave me to know I had nothing to
dread.

I knew she was right and I'd just like to
say,

"Merry Christmas
to all,

and to all a good day."
