July, 2024

Education

University of Pittsburgh

Ph.D. Department of Psychology

Pittsburgh, PA

1994

University of Pittsburgh

M.S. Department of Psychology

Pittsburgh, PA

1989

University of Chicago

Department of Psychiatry

APA-Accredited Clinical Psychology Internship

Chicago, IL

1993

University of Massachusetts

B.S. Department of Psychology

Summa Cum Laude, Phi Beta Kappa

Amherst, MA

1986

Honors and Awards

Fellow, Association for Psychological Science, 2024

Certificate of Excellence in Reviewing, Personality and Individual Differences, 2013

NARSAD Young Investigator Award, 2000

Professional Positions

University of Buffalo

Department of Psychology

Associate Professor

Buffalo, NY

2000 - Present

University of Buffalo

Department of Psychology

Assistant Professor

Buffalo, NY

1995-2000

Northwestern University

Department of Psychology

Post-Doctoral Fellow

Evanston, IL

1993-1995

Publications

Grant Funding

Submissions in Past Year

"Green space exposure and recurrent Major Depressive Disorder: Key features and underlying mechanisms," Funding source: National Institute for Mental Health & Alcoholism (NIH/NIMHA), \$442,750, April 1, 2024 to March 31, 2026, **Roberts J.E. (PI)**, Yoo E.-H. (co-I), and Chakraborty, S. (co-I). Using ecological momentary assessment and a geospatial approach, this study will determine the specific aspects of green space exposure that are relevant for depression-related outcomes and the underlying psychological processes that contribute to these outcomes. (Unfunded)

"Heat, air pollution, greenspace, and mental health: Disparities and psycho-social mechanisms," Funding source: National Institute of Health (NIH/NIEHS), \$2,700,252, July 1, 2023 to June 30, 2028, Yoo E.-H. (PI), **J. Roberts (co-I)**, K. Chen (co-I), and X. Zhou (co-I), Research on the effects of extreme heat, air pollution, and surrounding greenery on the risk of poor mental health outcomes to advance our understanding of the impact of environmental exposures on mental disorders to inform public health policies and urban design to protect vulnerable subpopulations, underserved communities, and individuals who are otherwise at risk for mental disorders. (Unfunded)

Current Funding:

Seed Projects in Arts and Sciences Research and Creative Activities (SPARC) program in the College of Arts and Sciences (Co-Principal Investigator with Eun-Hye Yoo)

“Examining the impact of air pollution, extreme heat, and greenspace on mental health”
\$74,928
January 2024-December 2025

Past Funding:

NIMH 1R01 MH080086-01 A2 (Co-Investigator, Len Simms PI)
“Development of a Computerized Adaptive Test of Personality Disorder (CAT-PD)”
\$1,740,134 direct costs (Total costs = \$2,575,361)
August 2008 – May 2013

UB 2020 Scholar's Fund (Principal Investigator)
"A Typological Approach to Problematic Treatment Adherence among HIV+ Patients"
\$11,500
March 2007 - December 2008

NIH National Research Service Award (Sponsor/Principal Investigator)
"Impact of Life Stress on HIV Treatment Adherence"
\$63,769 direct costs
September 2005-December 2007

NIH National Research Service Award (Sponsor/Principal Investigator)
"Social Anxiety and the Direction of Attentional Focus"
\$40,500 direct costs
September 2001-May 2004

NARSAD Young Investigator Award (Principal Investigator)
"Ruminative Response Style in Major Depressive Disorder"
\$60,000 direct costs
July 2000-June 2002

NIMH B/START Award (Principal Investigator)
"Self-Esteem and Rumination in Depression-Prone Persons"
\$25,000 direct costs
July 1999-June 2000 (no cost extension to June 2001)
