$23,000 PLEDGED ON OPENING DAY
Fine Record in Charity Fund Movement Made by Westfield Methodist Church

Westfield, May 6—The Centenary Fund Drive, with birthdays represented, has been a success for months past. A hundred thousand dollars had already been spent when the drive was renewed. The First Presbyterian Church in Westfield is to place its birthday on the ledger book. The drive is expected to raise ten million dollars in all. The money collected will be used for the church's needs.

GRADUATION DAY

The Ford cars have become such a world
utility that it would almost seem as if any car selling within $500 of its price possesses.

The only thing an extra $500 will procure in size—a few inches of wheelbase, 2 inches of tire, 50 pounds more of engine, and 5 or 10 other things that a $20 note would easily cover.

Then you run the risk of not getting as good a car as a Maxwell.

For it is one thing to build a 10,000 a year car and another to build a 50,000 a year car.

The chances are in favor by far of finding the real merit in the latter.

The Maxwell has a record run of 300,000—all of one model—behind it.

That means sureness of design, freedom from "temperament," reliability plus economy for certain, and always a ready market value.

A larger car costs more to maintain. A smaller car has less luxury.
