   - Strongly agree  agree  disagree  strongly disagree
List the most negative aspect(s):
There’s a lot of information that some users may be overwhelmed by.

List the most positive aspect(s):
I think this is very usable. I don't know how easy it is to update various aspects. There are many different aspects I really like for referencing info in one place.

What else could our team have done to achieve better results:

Thank you for the opportunity to work with you, and for your thoughtful response to this evaluation.
