The State

Reforming *Kafala*

A majority of Qatar's population is made up of foreign workers, and since the awarding of the 2020 World Cup there has been a spotlight on this issue in the international media. So we will look at Qatar's ongoing efforts to reform its *kafala* system of employment for foreign workers.

Introductory slide photograph by Sergeev (2013). The contents of these slides largely follow a presentation of the same name I prepared for the Conference on Labor Rights Protection in Doha, Qatar on 1 May, 2016. My account of the obligations to foreign labor is influenced by Nickel (2005), Sen (1999), and Shue (1996). A special thanks to A. M. Salaz for helping me format the APA citations and references for previous versions of these slides.
